Except as otherwise provided in this section, school buildings, fire stations, police stations, and other publicly owned or controlled buildings shall be used as polling places. If it is not possible or convenient to use a publicly owned or controlled building as a polling place, the legislative body of the city, township, or village may use as a polling place a building owned or controlled by an organization that is exempt from federal income tax as provided by section 501(c) other than 501(c)(4), (5), or (6) of the internal revenue code of 1986, or any successor statute. The legislative body of a city, township, or village shall not designate as a polling place a building that is owned by a person who is a sponsor of a political committee or independent committee. A city, township, or village shall not use as a polling place a building that does not meet the requirements of this section. The board of election commissioners shall appoint at least 1 election inspector from each major political party and shall appoint an equal number, as nearly as possible, of election inspectors in each election precinct from each major political party. The challenge must be in writing, specifically identify the reason for the challenge, and include any available documentation supporting the challenge. The county chair of the political party shall file a challenge under this subsection with the board of election commissioners not later than 4 business days following receipt of the board of election commissioners' notice of appointed election inspectors under subsection (2).

If the challenge alleges that the appointee is a known active advocate of a political party other than the one on the appointee's application, the board of election

commissioners immediately shall provide the appointee with a copy of the challenge by certified mail, personal service, or electronic transmission capable of determining date of receipt. The appointee may respond to the challenge within 2 business days after receiving a copy of the challenge. A response must be by affidavit addressing the specific reasons for the challenge. Failure to respond results in revocation of the appointment. Within 2 business days after receiving the challenge or a response from the appointee, whichever is later, the board of election commissioners shall make a final determination and notify the appointee and the county chair of the political party of the determination.

(5) If a vacancy occurs in the office of chairperson or in the office of election inspector before election day, the chairperson of the board of election commissioners shall designate some other properly qualified applicant or election inspector as chairperson or some other qualified applicant as election inspector, as applicable, subject to this section. ### **168.679a Receiving board; appointment and duties of inspectors; review of poll book and statement of returns; corrective action; delivery.**

Sec. 679a. (1) The election commission of a city or township shall, by resolution, provide that at an election at which the ballots are counted and certified at the precinct, 1 or more additional boards of election inspectors be appointed to serve as receiving boards. For a precinct having receiving boards, the board of election commissioners shall appoint a receiving board consisting of 2 or more election inspectors, with an equal number from each major political party, and shall appoint an equal number of election inspectors from each major political party.

(2) Not less than 2 election inspectors in a precinct, representing each of the major political parties, shall deliver to the receiving board for that precinct a sealed ballot container containing the voted ballots, and, in a separate sealed envelope, the poll book and statement of returns. The poll book and statement of returns may be enclosed in a single sealed envelope.

(3) The receiving board shall open the sealed envelope and review the poll book and statement of returns to determine both of the following:

(a) That the ballot container is properly sealed and the seal number is properly recorded in the poll book and the statement of returns. If the ballot container is not properly sealed or there is a discrepancy with the seal number recorded in the poll book or the statement of returns, the election inspectors who delivered the ballot container and the receiving board shall together take the necessary steps to correct the discrepancy. The

election inspectors and the receiving board shall note the discrepancy and the corrective action in the remarks section of the poll book and all shall sign the notation.

(b) That the number of individuals voting recorded in the poll book equals the number of ballots issued to electors, as shown by the statement of returns. If the number of individuals voting as shown by the poll book does not equal the number of ballots counted as shown by the statement of returns, and if an explanation of the discrepancy has not been noted in the poll book, the receiving board shall ask the election inspectors about the discrepancy, note the explanation in the poll book, and all shall sign the notation.

(4) If the poll book or statement of returns has been erroneously sealed in the ballot container, the election inspectors may open the ballot container and remove the poll book or statement of returns. The elections inspectors and receiving board shall note the corrective action in the remarks section of the poll book and all shall sign the notation before placing the poll book or statement of returns in a separate sealed envelope. If the statement of returns was sealed in the ballot container and the poll book was sealed in an envelope, the poll book must be removed from the sealed envelope for the notation of corrective action to be recorded before placing the poll book and statement of returns in a sealed envelope. The receiving board shall notify the clerk of the board of canvassers responsible for canvassing all or a portion of the election of the corrective action taken.

(5) When the receiving board has completed the review under subsection (3), the receiving board shall place the poll book and statement of returns in the appropriate envelope, sealed with a red paper seal and initialed by the receiving board. If permitted by the clerk of the board of canvassers, the poll books and statement of returns from more than 1 precinct may be included and delivered in a single envelope.

#### **168.683 Election inspectors; instruction, compensation, vacancy.**

Sec. 683. Each county clerk before each primary and election shall, by some reliable means, notify the clerk of each township and city in the county of a training school for election inspectors to be held at a place designated by the county clerk within 20 days before each primary, general, and special election. The township and city clerks shall notify each election inspector appointed to serve at that election of the time and place of the training school. At the meeting, the county clerk shall instruct and demonstrate the manner in which the duties of election inspectors are required by law to be performed. It is the duty of the inspectors, so notified, to attend the meeting unless excused by the county clerk for good cause. Compensation may be paid to them by their respective municipalities at a rate as determined by the governing bodies. An election inspector shall not serve in any election unless he or she has within the last preceding 2 years either attended an election school or has passed satisfactorily an examination given by the election commission of the city or township in which appointed. The examination is subject to the approval of the secretary of state. This section does not prevent the appointment of an election inspector to fill a vacancy. This section does not prohibit any

city or any township having a population of 10,000 or more from conducting its own training school for election inspectors of that city or township. If a city or township conducts its own training school, election inspectors who attend a city or township training school are not required to attend the county training school.
